HIDDEN GEM

Recording, mixing and production studio in Amsterdam

LIVE ROOM · STAGE · CONTROL ROOM · STUDIO B

THE STUDIO

Hidden Gem is a full-service recording studio in Amsterdam Westpoort. A 74 m² live room with its own stage, a separate control room and Studio B, filled with vintage instruments, a 1913 Bechstein baby grand and a serious microphone collection.

Bring your band, your album, your score or your podcast. Our engineers and producers take care of the rest, from the first take to the final master.
